

DID YOU KNOW?

- * You can hook up your gas grill with a flexible natural gas line and never run out of gas again!
- * According to the American Gas Association, the natural gas delivery system is 92% efficient from production at the well head to a consumer's home.
- * Transportation of natural gas is the safest form of energy delivery in the country.
- * Only 1 in 650 customers will experience a natural gas outage in any given year, whereas nearly every electric customer experiences an average of 8 outage hours in a year.

LOW INTEREST LOANS AVAILABLE!

Leatherstocking Gas Company is pleased to announce the availability of low-interest loans for existing customers to purchase new or additional energy efficient natural gas appliances.

New customers may borrow funds to convert their home or small business to natural gas and could include natural gas piping, related HVAC or plumber contractor costs, and equipment and/or appliances.

Some weatherization may also be included.

LOAN CRITERIA

- * Subject to credit check; applicants with lower credit scores may be asked to provide a down payment as a condition of loan approval
- * Interest rate of 3%
- * Payback term up to 10 years
- * Borrow up to \$10,000 per household or business
- * New customers—use funds to convert from another energy source to natural gas
- * Existing customers –use funds to upgrade to more efficient natural gas equipment or add additional natural gas appliances
- * Energy efficiency improvements are a requirement of this loan program
- * Terms and conditions subject to change
- * Customers will be billed monthly in a separate, non-utility bill from Leatherstocking
- * Contact Leatherstocking for next steps

LOCAL GAS FOR LOCAL PEOPLE!

Leatherstocking Gas Company uses natural gas produced right here in Northern PA.

Natural gas is typically less costly than propane, oil, and electric heat.

Save money on your annual energy bill by converting to low cost natural gas or by upgrading to more energy efficient appliances.

What are you waiting for? Call us today at 570-278-5863!

Americans favor cooking with gas over electric stoves.
